

Vendor Invitation: 2012 OSAF Annual Meeting and Conference **April 24-26, 2013** **Wildhorse Resort and Casino in Pendleton, OR**

Dear Vendor or Exhibitor:

The Columbia Gorge and Blue Mountain Chapters of the Society of American Foresters invites you to display and advertise at the 2012 annual OSAF meeting and conference in Pendleton, Oregon. This year's theme is "**Changing Forestry Along the Oregon Trail: Opportunities, Challenges and Lessons Learned**". We have assembled leading PNW forestry experts to provide presentations and field trips that are both practical and cutting edge. It is sure to attract practicing foresters and affiliated professionals from all parts of Oregon. Please join us.

Forests in eastern Oregon changed considerably in the 150-plus years since settlers moved west over the Oregon Trail.

Day One kicks off with a welcome from the Confederated Tribes of the Umatilla Indian Reservation (CTUIR), a keynote from Kent Connaughton, USDA Forest Service's Pacific Northwest Regional Forester, and a wide array of presentations. The day concludes with an icebreaker and poster session.

Day Two begins with the alumni breakfast and morning sessions that focus on Sustaining Resources and Communities. A luncheon will feature Richard Whitman, Governor Kitzhaber's Natural Resource Policy Director. Following are two concurrent field trips, one looking at intensive eastside TIMO forest management on Hancock lands and the other featuring stream and riparian restoration work by CTUIR to enhance fish populations. The day concludes with the OSAF Awards Banquet and a presentation on historic Maxville.

Day Three features the Pep-Up Breakfast and OSAF business meeting, and diverse discussions on Sustaining Management Practices. Two more field trips wrap up the meeting. One showcases the innovative 24,000-acre Greenwood Resources hybrid poplar plantation and the other features work by Morrow and Union Counties to manage their forestlands for recreation.

This year's annual meeting is a great opportunity to reconnect with friends and colleagues, enjoy the drier side of Oregon, and learn about forestry in eastern Oregon.

Registration:

We've rolled back the costs for a program that has the lowest registration cost in several years. However, we have not sacrificed quality. Look to the registration form for full options and costs. **Early registration ends March 22nd**, after which late registration fees apply. Space is limited. Information is also online: www.forestry.org/oregon/2013meeting.

Registration Questions:

For Questions please contact Jeremy Grose at 541-990-6975 or jeremyg@sdsilumber.com
