

Quick report for the Palouse Snake River Chapter: expect first Friday breakfasts to begin again in September, and a field trip soon after to U. of I. school forest. Need an update of paid members and addresses from NW or national (almost 20 envelopes returned undeliverable after May meeting). Mark Swanson has some ideas for next chair elect, he will do more checking and report back.

Thanks,

Kathy Mattson  
Chair, Palouse Snake River Chapter
