

Last meeting highlights: January 9, 2015

- Roger Burnside and Eric Geisler were on their way to attend the PNW Leadership Academy in Oregon. We look forward to their report.
- The Sears Home Show is coming up in April. This is a great opportunity for forestry outreach. Are members interested in attending?
- 2016 is Alaska's 50th Arbor Day anniversary

Also, the Anchorage Museum is interested and willing to partner with us on an event or some type of outreach for forestry. We are having a special meeting with them on Friday, February 20th at 1:30 pm at the Muse Cafe inside the Museum. Please RSVP if you would like to join us.
