

Logistics

- Parking Permit: display if parked in college lot
 - Not needed on College Way (Public Street)
- Please check your cell phones
- Coffee and snack: 9:45
 - If you're desperate: purchase additional coffee from shop just outside and to right of room
- Since coffee is a “pass-through” beverage:
Washrooms are just beyond the coffee shop

Logistics

- Ask any host for help. Several are COCC forestry students—please introduce yourselves. Hosts are wearing special ribbons that say: HOST
- The 3”X5” cards in your folders are to be used to pass along comments and questions you think of after a presentation
 - Salient points, articulate statements, or “muddy” concepts

A photograph of a forest with many tall, straight tree trunks and dense green undergrowth. The text is overlaid in the center.

Forest Restoration Beyond Fuel Reduction: What is the Vision?

The Merry Pranksters riding on “Furthur”

Ken Kesey on “Further”

Where are
we going?

I thought
restoration
was the
other way!!

Who is in
charge?

Restoration takes time, patience and support from a sustaining society. Its prescriptions are political as much as ecological. Like a culture's architecture or legal system, its fire regimes reflect the choices it makes and the values on which it bases them.

Stephen Pyne
