Please join me in supporting the Oregon Society of American Foresters Foundation for the ninth Annual SAF Golf Tournament scheduled for August 14, 2015. It is with great enthusiasm that we plan for this year's event knowing we have had great support from industry leaders like you. As in all past years, **the 2015 event will directly benefit the OSAF Foundation and its ability to support local education programs. All donations are tax deductible.**

The OSAF Foundation has disbursed over \$155,000 alone in college scholarship monies since its inception. The Foundation also holds goals towards expanding support to other forestry education opportunities in Oregon communities.

It is with great hope that I ask you to consider supporting this event. Sponsorship levels are being offered at:

Gold Sponsor: \$1,250 (One team registration included)

Silver Sponsor: \$750

Bronze Sponsor: \$500

Single Hole Sponsor: \$250

**I will personally make certain all sponsors and their dedication are acknowledged as leaders in the forest stewardship and education community.** Recognition for your support will be imbedded within the event and will include; title sponsor status on large banner during registration and awards barbeque, verbal acknowledgement during all activities, hole sponsors will be provided an individual marker at tee box of designated hole. Please see examples of sponsorship recognition in supporting document.

Please consider supporting this event through a financial donation or sponsorship of a team of golfers. Your participation and support are what makes SAF such an excellent organization. In the coming weeks I will contact you directly for follow-up in discussing this opportunity. You may also contact me at your convenience. Please find enclosed an official sign-up flyer detailing the event plus supporting information.

Sincerely,

Ted Reiss, Chair
