

*Spring 2015*

## *Alaska Native Plant Seedling Sale*

### *Seedling Order Form*

The Society of American Foresters, Sitka Chapter will be selling potted Western Red Cedar and Alaska Yellow Cedar Seedlings. These trees have been transferred from replant bed into pots and are 18 inches or more height. Cost is \$10 per seedling, with a limit of 3 per person. These trees are available on a first come first served pre-paid basis.

**To ensure you receive your seedling(s) and so that we can process and distribute the approximately 80 seedlings that are available, this form must be completed in its entirety and dropped off with full payment at Forest Service Office on Siginaka Way by May 1, 2015.**

**Pre-paid seedling orders will be distributed 9:00 a.m. to 12:00 p.m. on Saturday May 9, 2015 outside the Lakeside AC Grocery store (under grocery cart storage area). Please provide your full contact information below to ensure your seedlings are reserved (seedling pre-order purchasers must provide a valid phone number/cell number and email address with the order in the event there are questions and to be able to provide e-mail notice of changes to the seedling distribution time or date etc.)**
